ROOTED CUTTINGS

1943

WONDERLAND NURSERIES

ELLERSON, VIRGINIA

To Our Patrons!

Our 1943 catalog is offered to you with the sincere hope that the close of the season will find this a much better and happier world—that 'our Boys' will all be home to see the Mums in their glory. This is a fight for life—for freedom—for the right to live in peaceful pursuit of happiness.

We are sacrificing our usual big catalog for a smaller one. We are working harder with less help, and if your orders are not filled quite as promptly as you wish, remember we have lost much of our best help due to existing conditions. We will do our best to give you our traditionally high quality plants just when you want them.

No order accepted for less than \$1.00.

Less than 25 of a variety will be billed at 25c per plant.

Our terms are **CASH WITH ORDER.** If wanted C.O.D., do not forget to enclose one-third payment with order.

All orders will be shipped by Railway Express **unless requested otherwise.**

Do not send your orders by **SPECIAL DELIVERY.** This is a waste of money. WE MEET all trains, as our shipping point is nearby.

Rather than use air mail, we urge you to **place your orders early.** Air mails are heavy and crowded with business of war. The same applies to telephones. Call us only in **case of emergency**, and then try to make your calls at **night or Sundays.** Phone Mechanicsville, 2721.

Turn in all your scrap. **Buy War Bonds and Stamps** as often as you can. This is Our War, you know!

We owe all our success **to you.** **Thank you very much.**

Sincerely,

Wonderland Nurseries
